**CliftonLarsonAllen LLP Engagement Letter Amendment**

The Engagement Letter anticipated that CLA would perform a compilation of the monthly or quarterly financial statements of the District. It has been determined that, in respect to the monthly or quarterly financial statements, a preparation engagement may be performed, as opposed to a compilation of those financial statements.

If CLA performs a preparation engagement of the monthly or quarterly financial statements of the District, management agrees that each page of the monthly or quarterly financial statements will include the following statement: "No assurance is provided on these financial statements. Substantially, all required disclosures, the government wide financial statements, and the statement of revenues, expenditures and changes in fund balances – governmental funds have been omitted. In addition, the annual budget information excludes required summaries of significant assumptions and accounting policies. "
